PH/PAH Prediagnosis

PATIENT CHECKLIST

Here are questions to ask your doctor about **pulmonary hypertension (PH)** or **pulmonary arterial hypertension (PAH).**

- ☐ How many patients with PH/PAH have you had?
- ☐ Who else is on your medical team, and what is their experience with PH/PAH?
- ☐ Which medical facilities do you use for testing?
- ☐ Why do you think I may have PH/PAH?
- ☐ How will you make a clear diagnosis?
- ☐ Which tests do you suggest?
- ☐ Are any of these tests invasive? Which ones?
- ☐ Do you recommend a right-sided heart catheterization?
- ☐ Will you get approval from my insurance company for any tests?
- ☐ How long will it take to make a diagnosis?
- ☐ What happens if I do have PH/PAH?
